Dante and I are inseparable...and we are dying. Our shared soul cannot sustain us and our love threatens to kill us both. Our only hope lies in messages from a mysterious benefactor, leading us on a treacherous journey across Europe in search of the secret of eternal life. But our enemies are tracking us. And if they catch us, will our love survive?

On the morning of her sixteenth birthday, Ren\u00e9e Winters was still an ordinary girl. She spent her summers at the beach, had the perfect best friend, and had just started dating the cutest guy at school. No one she'd ever known had died. But all that changes when she finds her parents dead in the Redwood Forest, in what appears to be a strange double murder. After the funeral Ren\u00e9e's wealthy grandfather sends her to Gottfried Academy, a remote and mysterious boarding school in Maine

Ren\u00e9e Winters has changed. When she looks in the mirror, a beautiful girl with an older, sadder face stares back. Her condition has doctors mystified, but Ren\u00e9e can never reveal the truth: she died last May, and was brought back to life by the kiss of her Undead soul mate, Dante Berlin. Now, her separation from Dante becomes almost unbearable. His second life is close to an end, and each passing day means one less that she will spend with the boy who shares her soul.

Ren e and Dante are running out of time. Their shared soul cannot sustain them both for much longer. With the help of secretive letters, a mysterious map, and two unlikely companions, they set out on a treacherous journey across Europe to uncover the pathway to the Netherworld-the legendary chasm of souls. But the Liberum, a Brotherhood of the Undead, and a team of Monitors, led by Ren e's grandfather, are quickly closing in on them. As Ren e and Dante soon find out, the chance for a new beginning could cost them everything-including each other. The exciting third book in the acclaimed Dead Beautiful series is a mesmerizing story of sacrifice, loyalty, and love.

Coming from sunny California, the mist-shrouded Academy was a shock, with its strange customs, ancient curriculum and study of Latin - the language of the dead. Then I discovered that the school has more than one dark secret... I also discovered Dante. Intelligent, elusive and devastatingly gorgeous, most people can't decide whether they love, hate or fear him. All I know is that when we're together, I've never felt more alive - or more afraid. "I really enjoyed this book, it was fast moving, gutsy and engaging. Once I picked it up I found it very hard to put it down. The plot was just fantastic, and original... What I loved most was the use of classic literature to help tell the story... It grabs you, and when it finishes you don't really know what to do with yourself. Superb." - The Book Bag

Ren\u00e9e and Dante are dying. The soul they share cannot sustain them both, and they're quickly running out of time. But Ren\u00e9e has in her possession a legendary chest said to contain the secret to eternal life-if only they could solve the clues that lie within it. With both the Liberum, a Brotherhood of the Undead, and a team of Monitors, led by Ren\u00e9e's own grandfather, in hot pursuit, Ren\u00e9e and Dante must keep the chest safe or risk having it fall into the wrong hands. With the help of a mysterious letter-writer called only Monsieur, Ren\u00e9e and Dante follow a series of clues that lead them on a treacherous journey across Europe. They seek the Netherworld, a legendary chasm where souls go to be cleansed. It's their only chance at a fresh start, but with it comes a terrible choice, one they never imagined they would be forced to make. The third novel in the acclaimed Dead Beautiful series is a haunting story of sacrifice, loyalty, and a love that can never die.

When an ancient artifact dissolves in the hands of a man calling himself Mr. Veilleur, he knows something has gone wrong...terribly, cosmically wrong. Dr. Roderick Hanley, Nobel Prize-winning geneticist, dies in a plane crash. His last words: "The boy! They'll find out about the boy! He'll find out about himself!" When Jim Stevens, an orphan and struggling writer, learns that he is the sole heir to the Hanley estate, he is sure he has at last found his biological father. But he's only half right. The true nature of his inheritance—and the truth about his conception—will crush him. In New York City a group of Charismatics has been drawn together—without invitation, simply showing up at a Murray Hill brownstone—with a sense of great purpose. Satan is coming, and they have been chosen to fight him. Mr. Veilleur too has been drawn to the group, but he realizes it's not Satan who is coming. Satan would be a suitable au pair compared to the ancient evil that is in the process of being Reborn. Tor is reissuing the third title in the Adversary Cycle, The Touch, in July 2009.
