Mistakes that she thought she had left behind threaten to undo everything that she has begun to build in this new chapter of her life, but she isn't the only one battling the demons of her past. The poetic and passionate Amir harbors some dark secrets of his own, and when the truth begins to come out, the connection between her two lovers, old and new, may end her short reign of happiness before it ever fully begun. With love from one man and sworn vengeance from another, Zuria is trapped in the middle, trying

As this complex and spellbinding story reaches its peak, Zuria will have to risk mind, body, and soul for herself and the people she loves, but will that final risk mean achieving the life she'd always dreamed of? Or will she end up making the ultimate sacrifice?
