ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- &->Principles of Managerial Finance, Fourteenth Edition, Gitman and Zutter guide you through the complexities of finance with their proven learning system. For undergraduate courses in Investments. The core concepts and tools readers need to make informed investment decisions Fundamentals of Investing helps individuals make informed investment decisions by providing a solid foundation of core concepts and tools. Smart, Gitman, and Joehnk use practical, hands-on applications to introduce the topics and techniques used by both personal investors and money managers. The authors integrate a consistent framework based on learning goals to keep readers focused in each chapter. Readers leave with the necessary information for developing, implementing, and monitoring a successful investment program. The 13th Edition uses a conversational tone to make the foreign language, concepts, and strategies of investing accessible to readers. With the help of examples throughout, readers learn to make informed decisions in order to achieve investment goals. The book focuses on both individual securities and portfolios, teaching readers to consider the risk and return of different types of investments and how to use this knowledge to develop, implement, and monitor goals. Also available with MyLab Finance MyLab: Finance is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Fundamentals of Investing, 13th Edition is also available via Revel®, an interactive learning environment that enables students to read, practice, and study in one continuous experience. Learn more. CORPORATE FINANCE, 2nd Edition was crafted to match the way you teach your MBA-level course. It's a claim we're confident to make because before creating the text, the authors analyzed more than 150 MBA-course syllabi and blended this research with input from professors like you and more than 50 years of personal corporate finance and teaching experience. The result is the most relevant text available for your students-one that presents the latest financial theories within the practical context of today's business. This balance of modern theory and practice is found in features such as Applying the Model examples that demonstrate concepts in action, cross-functional applications that make the book applicable to all students, and innovative CengageNOW for Smart Finance technology that reinforces learning throughout each chapter.
