Margaret Sayers Peden, who is well known and respected for her translations of Fuentes, Neruda, Quiroga, and Paz, has made an admirable selection of poems that includes romances, redondillas, epigrams, decimas, sonnets, silvas, villancicos, and two excerpts from Sor Juana's theater. The introduction and notes provide the necessary context for those unfamiliar with the poet's life and times.

Smart Planet is a secondary-level course which appeals to students' curiosity about the world around them. Stimulating materials complemented by fascinating videos from Discovery Education help bring classes to life and are the ideal starting point for successful language learning. The Workbook provides complete practice of all the vocabulary and grammar from the Student's Book with graded activities catering for mixed-ability classes. The Workbook also contains extra listening activities for self-study practice with online MP3 audio files. English and Catalan editions of this Workbook are also available.

Spectrum Test Prep Grade 2 includes strategy-based activities for language arts and math, test tips to help answer questions, and critical thinking and reasoning. The Spectrum Test Prep series for grades 1 to 8 was developed by experts in education and was created to help students improve and strengthen their test-taking skills. The activities in each book not only feature essential practice in reading, math, and language arts test areas, but also prepare students to take standardized tests. Students learn how to follow directions, understand different test formats, use effective strategies to avoid common mistakes, and budget their time wisely. Step-by-step solutions in the answer key are included. These comprehensive workbooks are an excellent resource for developing skills for assessment success. Spectrum, the best-selling workbook series, is proud to provide quality educational materials that support your students' learning achievement and success.

Fourteen-year-old Lincoln Mendoza, an aspiring basketball player, must come to terms with his divided loyalties when he moves from the Hispanic inner city to a white suburban neighborhood. Reissue. 40,000 first printing.

The word renaissance means "rebirth," and the most obvious example of this phenomenon was the regeneration of Europe's classical Roman roots. The Renaissance began in northern Italy in the late 14th century and culminated in England in the early 17th century. Emphasis on the dignity of man (though not of woman) and on human potential distinguished the Renaissance from the previous Middle Ages. In poetry and literature, individual thought and action were prevalent, while depictions of the human form became a touchstone of Renaissance art. In science and medicine the macrocosm and microcosm of the human condition inspired remarkable strides in research and discovery, and the Earth itself was explored, situating Europeans within a wider realm of possibilities. Organized thematically, the Handbook to Life in Renaissance Europe covers all aspects of life in Renaissance Europe: History; religion; art and visual culture; architecture; literature and language; music; warfare; commerce; exploration and travel; science and medicine; education; daily life.

This book identifies good practices in the design and implementation of evaluation and teacher incentive systems from various perspectives through formulation, stakeholder negotiation, implementation, monitoring and follow-up.

Developing Writing Skills in Spanish provides intermediate and advanced level students with the necessary skills to become competent and confident writers in the Spanish language. With a focus on writing as a craft, Developing Writing Skills in Spanish offers a rich selection of original materials including narrative texts, expository essays, opinion pieces and newspaper articles. Each chapter covers a specific kind of writing and is designed to help tackle the material in small units. The book aids students in crafting clear, coherent and cohesive manuscripts by means of guided practice and step-by-step activities. Key features: Guidance on how to structure a variety of texts: narrative, descriptive, expository, argumentative, academic, journalistic, legal and scientific. Sequenced exercises on style, writing conventions, word choice, syntax and grammar. Reference lists and tables with specialized vocabulary, transition words and other useful expressions. Strategies and tips for planning manuscripts, brainstorming ideas, vocabulary enrichment, editing and proofreading. Includes original samples, as well as fragments from newspapers, well-known literary works and essays by notable Hispanic authors and journalists. Website with additional activities to reinforce the content of each chapter and a teacher's guide with valuable support materials at: www.developingwritingskills.com Designed as a classroom text, self-study material or simply as a resource on writing, Developing Writing Skills in Spanish is the ideal supplement for all intermediate to advanced students of Spanish.
