They vary on material, learning styles, and cost (including Free!). MSNCB neither endorses nor is affiliated with any third party online exam prep apps.

Study Guide For Medical Surgical Nursing Certification

Just took this test on the 3rd, and passed. My recommendation is to grab a study guide book, such as "Medical-Surgical Nursing Certification" 5th edition, and buy the study guide questions from the ANCC website. This test wasn't horrible, but it wasn't easy either. Reminded me of the NCLEX. Glad that the test is over though, gl to all!

The perfect companion to Introductory Medical-Surgical Nursing, 10th Edition, this handy workbook helps students review and apply essential content from the textbook. With this resource, students will prepare for the challenges of today's exams and tomorrow's practice-from the hospital or clinic to the home or long-term care facility!

Lippincott's Review for Medical-Surgical Nursing Certification, Fifth Editionprovides the information nurses need to achieve certification in the specialty of medical-surgical nursing. This helpful reference covers the broad range of content found on the actual examinations, including disorders by body system, such as coronary artery disease, COPD, and diabetes. The product reviews signs and symptoms, diagnostic tests, medical treatments, nursing assessments, and interventions for scores of health problems. Concise refreshers on wound care, perioperative nursing, collaborative practice, nursing research, and legal issues are also included. Review questions after each chapter and an end-of-book posttest help assess the nurse's preparedness for the exam. The book is appropriate for exams of both major certifying bodies: the ANCC and the AMSN.
