In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.

Sri Ramana Maharshi is regarded as one of the most important Indian sages of all time. At the age of sixteen, he experienced a spiritual awakening and travelled to the holy mountain of Arunachala, where a community grew up around him. From there, he touched the lives of influential writers, artists, and seekers such as Carl Jung, Henri Cartier-Bresson, and Somerset Maugham. Today, millions around the world continue to be inspired by his teachings. Edited by his pupil Arthur Osborne, this classic work sets out Sri Ramana Maharshi ' s thoughts on such subjects as how to live in the here and now, wealth, freedom, knowledge, and the essence of our true nature. Self-inquiry is the key to liberation, Sri Ramana contends, as he invites us to detach ourselves from our illusions and set out on the path that leads toward enlightenment.

Joy 24x7 is a very simple but unusual exploration of Joy. There is no religion in this book. There are no rituals prescribed here. There is no deep meditation being described here and neither is there any mention to any spiritual practice. This is not a guidebook. This is not a " self-help " book. It is not going to give you " an instant formula for joy " . But it will surely make you explore your Joy for yourself in a very direct way. The simple, short snippets of daily lives connected with what Sadhguru has to say about Joy, will take you on a wonderful roller coaster ride on Joy with the Master himself. With Sadhguru ' s incredible clarity of expression, his brilliant wit and sense of observation, his ability to bring the most profound aspect in a very simple and direct way, this book is for any human being who seeks to be Joyful. No matter who you are, what you are trying to do, Sadhguru ' s words will touch a wonderful wave of Joy inside you and you will soon be restless to seek Joy 24x7.

Fiction. Music. DEATH TO THE BULLSHIT ARTISTS OF SOUTH TEXAS is a psychedelic romp through the Rio Grande Valley music scene. This collection of 10 punk rock fairy-tales offers a prismatic view of a subculture so rich that if it knew its own worth, it just might revolt against itself. This is the book you wish you had as a teenager, headphones on, waiting at a bus stop for a ride to the record store.

This first comprehensive book to cover the expanding field of bioorganometallics represents the perfect starting point for beginners but also an excellent source of high quality information for experts in the field. Edited by a pioneer in the field with an excellent standing within the community, this book begins with the history of bioorganometallics, before going on to cover pharmaceuticals, bioorganometallic chemistry and radiopharmaceuticals. A must for bioinorganic chemists, the pharmaceutical industry, chemists working in organometallics and biochemists.

Why are some people more successful than others? Self-confidence! What one great goal would you set if you knew you could not fail? What wonderful things would you want to do with your life if you were guaranteed success in anything you attempted? Your level of self-confidence determines the size of the goals you set, the energy and determination that you focus on achieving them, and the amount of persistence you apply to overcoming every obstacle. In this powerful, practical book based on work with more than 5 million executives, entrepreneurs, sales professionals, and ambitious people in more than sixty countries, you learn how to develop unshakable self-confidence in every area of your life. The Power of Self-Confidence explains how to increase your "mental fitness" by thinking like top performers in every field. Little by little, you build up and maintain ever-higher levels of self-confidence in everything you do. Self-confidence allows you to move out of your comfort zone and take risks without any guarantees. With step-by-step guidance, author Brian Tracy will help you build the foundations of lifelong self-confidence. You discover how to determine what you really want, and unleash your personal powers to accomplish it. You'll learn how to: Clarify and live consistently with your values to become the very best person you could possibly be Set clear goals and make written plans to accomplish them Commit yourself to mastery in your chosen field and to lifelong personal improvement Program your subconscious mind to respond in a positive and constructive way to every problem or difficulty Minimize your weaknesses and maximize your strengths for higher achievement Develop high levels of courage and incredible persistence Become unstoppable, irresistible, and unafraid in every area of your life through the power of unshakable self-confidence. Become a person of action, overcome any obstacle, and scale any height. With your newfound unshakable self-confidence, you will accomplish every goal you can set for yourself.
