Naraku Crank Shaft Minarelli Am6
Great quality Naraku version of the original crank for geared mopeds with Minarelli AM6 engines. Corresponds to the original dimensions. Delivery includes small end bearing.

Crankshaft for Minarelli AM 50 - Euro Scooter Parts
Naraku heavy-cheeked racing crank increases the pre-compression in the cases for improved filling. The extra inertia improves performance and the performance moves to the upper rev range. As opposed to the HPC crank with plastic inserts, this full metal version should only be used above 70cc. Delivery includes 12mm small end bearing.

MINARELLI spare parts and accessories
Very high quality full crank HPC crankshaft from Naraku. This racing crankshaft increases the pre-compression in the crankcase, which leads to a significantly better filling level. The power speed is shifted to the upper range. The plastic inserts used due to the full-walled design increase the overall weight only slightly compared to standard shafts. This crankshaft can also be used without ...
