Handwriting. Your child will start developing the fine motor skills they need to write from a very early age. You can help by giving your child lots of opportunities to scribble, draw, and colour. At first, using any writing tools to make marks on paper is great practice. However, as your child gets older, handwriting needs to be taught in a consistent way and it is important to develop good ...

A new edition of the well-loved Nelson Handwriting programme, this Pupil Book 1A revises the letter families and introduces the four joins. It also provides practice for capital letters and numbers.

clear, practical framework for implementing and developing a whole school handwriting policy. The books are sequenced for progression and contain three levels of differentiation designed for a wide range of abilities. Structured units introduce clear teaching points followed by plenty of opportunities for practice.

The Developing Skills Books provide the structured progression throughout the course. Each double page spread opens with a Focus in which the main point of the lesson is clearly stated; this is then followed by Extra and Extension activities of increasing difficulty. Throughout the books pupils are encouraged to think about the writing process and assess their own work.

There are three collections of Resources, which have been designed to be used alongside the Developing Skills Books and Workbooks. The Resource Sheets supplementing Red and Yellow, Books 1 and 2 and Books 3 and 4 provide support and extension activities for each unit of work, along with an assessment section.
