Nikon D7200 For Dummies Cheat Sheet - dummies

I've recently bought a Nikon D3200 and I bought this book at the same time. I've bought "Dummies" books in the past and this one, like the others, did not disappoint. Although the camera comes with a reference manual (on disc), I wanted something that I could use to take me through the functions of the camera step-by-step and that I could quickly and easily refer back to as necessary.
