Okuma OSP-P200L MACTURN/MULTUS Operation Manual pdf - CNC ...

Hello all!! We are looking into purchasing a Okuma Multus machine in the near future. I am in the stages of convincing my boss that this would be a good machine for us. We do a lot of setup on multiple Lathes and Mills. We are not a production shop and I think we would save a lot of setup time and \$\$ if we could get one of these machines to replace the older mills and lathes that we have right ...
