In Border, Kapka Kassabova sets out on a journey to meet the people of this triple border - Bulgarians, Turks, Greeks, and the latest wave of refugees fleeing conflict further afield. She discovers a region that has been shaped by the successive forces of history: by its own past migration crises, by communism, by two World wars, by the Ottoman Empire, and - older still - by the ancient legacy of myths and legends.

The last book in Don Winslow's devastating Cartel trilogy is epic in scale and brutally personal in its depiction of the impact of the violence unleashed by the war on drugs. Thrilling and politically charged, *The Border* follows DEA director Art Keller as he confronts an unprecedented flow of heroin into the U.S. two decades into his battle against Mexican drug cartels.
