## *On The Making Of Man*

Man was first made in the image of God: and this conception excludes the idea of distinction of sex. In the first creation of man all humanity is included, according to the Divine foreknowledge: our whole nature extending from the first to the last is one image of Him Who is.

childbirth was the province of women. The midwife ran the birth, helped by female "gossips"; men, including the doctors of the day, were excluded both from the delivery and from the subsequent month of lying-in. But in the eighteenth century there emerged a new practitioner: the "man-midwife" who acted in lieu of a midwife and delivered normal births.
