interviews, it is required reading for scholars seeking to explain major events in Malay history. A new Preface by the author sets the book in its historical context.

In this original and perceptive study Donna J. Amoroso argues that the Malay elites' preeminent position after the Second World War had much to do with how British colonialism reshaped old idioms and rituals \_ helping to (re)invent a tradition. In doing so she illuminates the ways that traditionalism reordered the Malay

political world, the nature of the state and the political economy of leadership. In the postwar era, traditionalism began to play a new role: it became a weapon which the Malay aristocracy employed to resist British plans for a Malayan Union and to neutralise the challenge coming groups representing a more radical, democratic perspective and even hijacking their themes. Leading this conservative struggle was Dato Onn bin Jaafar, who not only successfully helped shape Malay opposition to the Malayan Union but was also instrumental in the creation

Traditionalism and the  
Ascendancy of the Malay  
Ruling Class in Colonial  
Malaya is an important  
contribution to the history  
of colonial Malaya and, more  
generally, to the history of  
ideas in late colonial  
societies.

this path of resistance, they would risk imprisonment or death. Their ranks included teachers, journalists, intellectuals, housewives, peasants, preachers, and youths. They formed, led, and contributed to the founding of political parties, grassroots organizations, unions, newspapers, periodicals, and schools that spread their ideas across the country in the aftermath of the Great Depression, when colonialism was at its height and evident in all areas of life in their country. But when their efforts to uproot foreign dominance faltered in the face of the sanctions

the state imposed upon them, some of these radicals chose to take up arms, while others engaged in aggressive protests and acts of civil disobedience to uphold their rights. While some died fighting and hundreds were incarcerated, many lived to resist colonialism until their country attained its independence in August 1957, all of these Malay radicals were devoted to becoming free men and women and to claiming their right to be treated as equals in a world riddled with prejudice and contradictions"--

Nationalism in Southeast

nationalism through examining its role in the history of southeast Asia, a region rarely included in general books on the topic. By developing such a definition and testing it out, Tarling hopes at the same time to make a contribution to southeast Asian historiography and to limit its 'ghettoization'. Tarling considers the role of nationalism in the 'nation-building' of the post-colonial phase, and its relationship both with the democratic aspirations associated with the winning of independence and with the authoritarianism of the closing decades of the 20th

In *The Malay Dilemma*, former prime minister Mahathir Mohamad examines and analyses the make-up of the Malays and the problem of racial harmony in Malaysia. First published in 1970, the book seeks to explain the causes for the 13 May 1969 riots in Kuala Lumpur. Dr Mahathir sets out his view as to why the Malays are economically backward and why they feel they must insist upon immigrants becoming real Malaysians speaking in due course nothing but Malay, as do immigrants to America or Australia speak nothing but
