Scan an ISBN with your phone Use the Amazon App to scan ISBNs and ...

This authoritative and accessible dictionary uses a unique combination of carefully verified definitions and clearly labelled images to explain even the most complex of topics. 187, 000 clear, concise definitions and entries cover general vocabulary - including English words from around the world - as well as specialist, technical, rare and new words and phrases. 4, 500 carefully selected images provide instant visual definitions and deepen understanding of the text entries 600 eye-catching illustrated feature panels offer more information on a wide range of topics - from science and technology to natural history, art and music.

This browsable and unique dictionary explains the interesting words found in 19th century texts studied at secondary school. With clear explanations, panels, and an illustrated section of photographs and artworks on the themes of transport, crime, fashion and more, it is an essential guide to help students enjoy 19th century literature.

Serve as a bridge between picture dictionaries Are flexible enough to be used in whole-group, small group, or independent learning models Are aligned to national curriculum standards Includes 700 terms

Accelerates Academic Language Development The Oxford Illustrated Science Dictionary supports and promotes success in science by making academic vocabulary accessible to high-beginning and intermediate language learners. This dictionary is flexible enough to be used in whole-group, small-group, and independent learning modules and serves as a bridge between picture dictionaries and learner dictionaries. Each dictionary entry includes: Academic word Part of speech Pronunciation Simple definition Illustration Work contextualized in a sentence

A dictionary that features over 6000 entries in alphabetical order, with photographs and illustrations. It contains example sentences by children's authors, such as Dick King-Smith, Jacqueline Wilson and Roald Dahl. It includes information for spelling success, punctuation, simple grammar, prefixes and suffixes, word origins, and more.

This dictionary takes children on a magical journey while at the same time developing early dictionary skills. Grammar and language tips - word origins, rhyming words, synonyms, opposites and spelling help sit alongside example sentences taken from children's reading.
