The epic city-eat-city adventure is now a major motion picture produced by Peter Jackson!

London is a city on wheels - a future city like you've never known before. In the terrible aftermath of the Sixty Minute War, cities which survived the apocalypse became predators, chasing and feeding on smaller towns. Now London is hunting down its prey, getting ready to feed. But as the chase begins, Tom uncovers a secret - a secret full of deadly consequences. Soon he is plunged into a world of unkillable enemies, threatened by a weapon that will tear his life apart... Winner of the Nestle Gold Award and the Blue Peter Book of the Year Award, this is a book to devour again and again.

It was a dark, blustery afternoon in spring, and the city of London was chasing a small mining town across the dried-out bed of the old North Sea. So begins Philip Reeve's Mortal Engines, the first book in his epic post-apocalyptic series of giant motorized cities on wheels. But how did the world end up like this? What led to the downfall of our civilization, and to the rise of the Traction Cities that roam the Great Hunting Ground to attack and devour each other? Now, for the first time, discover the untold future history of Traction. This lavishly illustrated book contains incredible tales of fearsome Zagwan warriors riding war-zebras into battle, daring air-traders flying the Bird-Roads in search of adventure, and the mysterious plague-ridden wasteland of the Dead Continent that was formerly known as 'North America'. This definitive companion guide includes detailed maps, fascinating character profiles, and stunning colour illustrations from incredible artists, including Ian McQue, David Wyatt, Aedel Fakhrie, Maxime Plasse, Rob Turpin, Philip Varbano and Amir Zand. **MORTAL ENGINES** is soon to be a major motion picture.

The shattering final instalment of Philip Reeve's Predator Cities quartet flings you back into his blasted world of predator cities, ruinous wars and terrifying Stalkers. Abandoned by Hester, Tom and Wren stumble across the wreckage of a vast traction city: London. As the Green Storm take arms and the truce with the Traction Cities splinters, the world is on a collision course - beginning and ending in London's ruined shell. As everything Tom and Hester know and love hurtles towards apocalypse, who will be left to tell the tale? Winner of the Guardian Children's Fiction Prize 2007, this epic finale is fast-moving, thrilling, heartbreaking - and as exciting as hell!

Long before the days of Mortal Engines, London is poised on the brink of apocalypse. Huge armoured fortresses are advancing across the wastelands - a new and terrifying kind of enemy. The city is days away from ruin. Buried in London's past is a secret that may save it. But only one key can unlock it - an odd-looking orphan named Fever Crumb. Set centuries before the events of Mortal Engines, Fever Crumb's paralysing mission will make your heart stop.
