“ Duke ’ s Men ” Regency romance series—the first of which was called “ a totally engaging, adventurous love story ” (RT Book Reviews, Top Pick). The heir presumptive to the Viscount Rathmoor, Dominick Manton once had his heart ’ s desire within reach—a bright future as a barrister and engagement to Jane Vernon, a wealthy baron ’ s daughter. Then a shattering betrayal by his vindictive brother George snatched away Dom ’ s inheritance and his hopes of offering Jane a secure future. Brokenhearted, and attempting to end their engagement without destroying Jane ’ s reputation, Dom staged a betrayal of his own to convince her that he ’ s not the husband-to-be that she thought. Now George is gone and the viscountcy restored to Dom, since his brother ’ s widow, Nancy—Jane ’ s cousin and closest confidant—never bore an heir. But when Nancy goes missing, a panicked Jane calls on her former fiancé to track down her cousin. Dom knows the mistakes of the past may be unforgiveable—but now, entangled together in mystery and danger, will they rekindle a passionate longing that was never lost to begin with?

In Broken Hearts, Fences and Other Things to Mend by Katie Finn, Gemma had her summer all planned out, but it takes sharp turn when she gets dumped and finds herself back in the Hamptons after a five-year absence. Being there puts her at risk of bumping into Hallie, her former best friend (that is, before Gemma ruined her life). But people don't hold grudges forever. Do they? Gemma intends on making amends, but a small case of mistaken identity causes the people she knew years ago—including Hallie and her dreamy brother Josh—to believe she's someone else. As though the summer wasn't complicated enough already. Can Gemma keep up the charade? Or will she be found out by the very people she's been hiding from?
