on 5/3/2012. from Huddleston, VA. Raising Boys with ADHD: Secrets for Parenting Healthy, Happy Sons. Raising Boys with ADHD is infinitely parent friendly. The authors demystify ADHD, using plain language and examples from real life. This book goes beyond mere explanations, in that it offers doable action plans.

[Prufrock Press : Raising Boys With ADHD: Secrets for ...](#)

Teen boys with ADHD have a hard road to travel as they take on more classes, harder assignments, an increasingly complex social environment, and a rapidly changing body. One of their biggest developmental tasks is to separate from parents. Ironically, they will need your wisdom, continued support, and encouragement to accomplish this independence. To begin, parents must understand the neurobiological impact of ADHD on a teen's behaviors.
