This unique Library gives teachers and specialists a stimulating, systematic way to develop positive social behaviors in students of all abilities, grades 4-12. Included are over 125 tested lessons and reproducible worksheets in two separately printed, self-contained volumes, each tailored to the developmental needs of students at a particular grade level, 4-6 or 7-12. For easy use, the lessons in each volume follow a uniform format, including titles, behavioral objective, and simple 8-step lesson plan. The lesson activities and worksheets are based on real-life situations and help build students' self-esteem, self-control, and respect for the rights of others.

In the early primary school years, children need to learn certain social skills to be successful in school and out. Some children have already mastered handling disappointment and working out differences with others, but many children struggle with the social skills that are expected of them. To help students of all skill levels, the author of the highly praised Ready-To-Use Violence Prevention Skills Lessons & Activities for Elementary Students presents this practical book that gives teachers and specialists a stimulating, systematic way to develop positive social behaviors in students through awareness, discussion, and rehearsing new

behaviors. It offers over 50 detailed lesson plans and practice worksheets based on real-life situations. These age-appropriate lessons help children build self-esteem, self-control, respect for the rights of others, and a sense of responsibility for one's own actions. Printed in a spiral-bound 8 1/4" x 11" format, the pages can be easily photocopied for use by the whole class or for individuals as the need to work on a particular skill arises.

This unique Library gives teachers and specialists a stimulating, systematic way to develop positive social behaviors in students of all abilities, grades 4-12. Included are over 125 tested lessons and reproducible worksheets in two separately printed, self-contained volumes, each tailored to the developmental needs of students at a particular grade level, 4-6 or 7-12. For easy use, the lessons in each volume follow a uniform format, including titles, behavioral objective, and simple 8-step lesson plan. The lesson activities and worksheets are based on real-life situations and help build students' self-esteem, self-control, and respect for the rights of others.

This resource is part of the four-volume Social Skills Curriculum Library - a practical series designed to help you teach positive behavior skills to student of all abilities. Students learn such social skills as dealing with anger productively; setting goals; building self-confidence; dealing with prejudice; and more. Note: this edition was published in 1995.

With inclusive education becoming the norm in schools nationwide, teachers must educate their students while addressing the non-academic needs of children with special needs, such as autism and Asperger's Syndrome. They need ready-to-use lessons that won't interfere with their curriculum. QUEST (Questioning, Understanding, and Exploring Social Skills and Pragmatic Language Together) is a social skills program created to help middle school students who struggle with pragmatic language and social skills. Students meet 2-3 times weekly for 45 minutes. Developed from evidence-based research, this program implements hands-on activities, games, and role-play. Parents are kept in the loop with email updates and evaluations. Also includes a CD of printable worksheets!

Workbook for teaching reading skills and a special dictionary accompanied by 8 packets of flash cards (stapled but perforated for separating). Issued in blue plastic container.

A flexible, ready-to-use program to help special students in grades K-5 learn appropriate ways to behave among others. The revised and updated second edition of this bestselling resourcebook provides ready-to-use lessons--complete with reproducible worksheets--to help children become aware of acceptable social behavior and develop proficiency in acquiring basic social skills. The book is organized around three core areas crucial to social development in the primary grades: Accepting Rules and Authority at School, Relating to Peers, and Developing Positive Social Skills. Each lesson places a specific skill within the context of real-life situations, giving teachers a means to guide students to think about why the social skill is important. The hands-on activity that accompanies each lesson helps students to work through, think about, discuss, and practice the skill in or outside of the classroom.

This comprehensive book includes 101 ready-to-use, reproducible activities to help children improve their social skills. Topics include: communicating, nonverbal communication, being part of a group, expressing your feelings, caring about yourself and others, and more. Includes a D for easy printing.

Help young children learn social skills and get ready for a successful start to school with this charming alphabet book. C is for cooperate. G is for grow. P is for play! This friendly and reassuring alphabet book helps young children (and those who care for them) consider, explore, and discuss a wide range of skills related to school readiness. Kids preparing for kindergarten or preK will learn social skills from A to Z, building or reinforcing their knowledge of the alphabet at the same time. Charming art brings the skills to life with encouraging scenes of fun and learning in the classroom, on the playground, and more. A special section for adults presents ideas for helping children get ready for this big change and have a successful start to school.

Designed for highschoolers with social communication problems, this book encourages students to examine photographs of social interactions and determine the most appropriate responses.
