Full title: Renewable energy law and development : case study analysis / Richard L. Ottinger. Main author: Ottinger, Richard L. 1929-Format: Book

Description: Renewable energy law and development

The Commission has launched 2 public consultations today on the revision of the Renewable Energy Directive and the Energy Efficiency Directive. The objective of these 12 week consultations is to seek a wide range of views on to what extent and how these 2 directives should be revised.

Public consultations launched on reviewing the EU ...

Eradicating energy poverty and averting dangerous climate change will require a global 'energy revolution' in favour of low-carbon energy sources. To assist in this transition, the United Nations has established the Sustainable Energy for All (SE4ALL) initiative. This article critiques the role, character and capacity of international law – 'soft' law instruments, binding obligations and international legal actors – to facilitate the initiative's goal of doubling the renewable ...
