I took the bait, purchased and downloaded REX skyforce 3d a couple days ago. After installing it, I then got to look at the manual and it's recommendations for installing. I learned that they wanted a couple things done during installation that unfortunately I didn't do. Like turning off notifications, turning off my anti-virus (which I always dislike doing) and running as administrator.

#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even The Phantom Menace . . . Jedi lit the way for the galaxy in The High Republic It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, worlds flourish under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi. With the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm But the even brightest light can cast a shadow, and some storms defy any preparation. When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel emerging from the disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergence, however, is enough to push even Jedi to their limit. As the sky breaks open and destruction rains down upon the peaceful alliance they helped to build, the Jedi must trust in the Force to see them through a day in which a single mistake could cost billions of lives. Even as the Jedi battle valiantly against calamity, something truly deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A threat hides in the darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi's heart.

Follow Maggie's hilarious diary over one school year. She gets the worst part in the school play, her world record attempt goes disastrously wrong and as for her act in the talent show, well, let's just say she didn't expect underpants to fly out of her trumpet and land on the judge's face! Still, at least she has her three best friends, and her diary. A story about friendship, family, and resilience. Perfect for ages 8-12, with lots of doodley illustrations. This version has been checked for typos.

The everyday power of prayer comes to life in this inspirational picture book written by twelve-year-old budding singer Emme Mu\u00f1iz. We all have moments every day where we can use a little help. Some are small, like waking up for school or getting along with a sibling. Others are big, like helping to save the planet and all its creatures--especially sloths! But asking God for help always brings us the strength to get through anything. Emme Mu\u00f1iz shares her own daily prayers to offer families a way to embrace the peace and power of everyday faith.

The Air Force Special Operations Command (AFSOC) special tactics community is a small, tight-knit brotherhood of proficient and committed warriors, consisting of special tactics officers and combat controllers, combat rescue officers and pararescuemen, and officer and enlisted special operations weathermen. These warriors have consistently proven themselves to be an invaluable force multiplier throughout history in conflicts around the world. This is their story.--Provided by publisher.

Prepare for schlock and awe! Written by Hollywood screenwriter Cromwell Gibbons in the 1930's, this wonderfully schlocky novel of evil menace was undoubtedly meant as a treatment for a Universal Studios horror picture. It has all the elements of a Saturday matinee fright fest: vampirism, mad scientists, head-hunters and yellow peril. Nearly impossible to find, THE BAT WOMAN is a guilty pleasure that's sure to enthrall and amuse.
