SHL-style Reading Comprehension Tests are comprised of written passages followed by questions. Usually, each paragraph is related to one question only, which means there is more to read and less time to digest the passage's content. The answers may come in a multiple-choice form or require the candidate to write a short written answer.

~~SHL Reading Comprehension SHL Tests JobTestPrep~~

This test is not only available in itself, but as the part of the test battery mentioned below: Applied Technology Series (ATS) for Technical Staff Assesses the understanding of basic mechanical principles and their application to such devices as pulleys and gears and simple structures.
