Access Control Objectives | SSCP Study Guide and DVD ...
I take the SSCP on Monday. I've done a few practice tests and I'm still hovering around 70% on 3 of the domains. Any advice on how to narrow my studies the next couple days to prepare? I have the official book, study guide, and practice tests. I also have the LinkedIn videos and the AIO book. I'm super nervous, don't feel super ready.
