I grew up with a keen ear for teenaged dialogue and a convincing knowledge of modern teenagers by Lisa Jenn Bigelow. "Starting From Here" is an uplifting story especially surprising after seeing the words "Amazon Children's Publishing" on the dust jacket. 40+ years ago when I was the age of the protagonist there were no lives like this, much less books about them.

From this very first sentence, you can already tell this is not going to start on a happy note. Starting From Here follows Colby during a time of crisis in her life. Her mother died two years ago, her dad is away long-distance trucking six days of the week, she’s failing Chemistry (and maybe Algebra), and her almost-girlfriend just broke up with her.

Find the confidence to rock out to your own beat in this big-hearted middle grade novel. Not to be missed by fans of Raina Telgemeier’s Drama and Tim Federle’s Better Nate Than Ever! Melly only joined the school band because her best friend, Olivia, begged her to. But to her surprise, quiet Melly loves playing the drums. It’s the only time she doesn’t feel like a mouse. Now she and Olivia are about to spend the next two weeks at Camp Rockaway, jamming under the stars in the Michigan woods. But this summer brings a lot of big changes for Melly: her parents split up, her best friend ditches her, and Melly finds herself unexpectedly falling for another girl at camp. To top it all off, Melly’s not sure she has what it takes to be a real rock n’ roll drummer. Will she be able to make music from all the noise in her heart? Ami Polonsky, acclaimed author of Gracefully Grayson, raved, “Drum Roll, Please is a perfect middle-grade love story. Bigelow delivers a mighty message to turn up the volume on your inner drummer.”

The Thing About Jellyfish meets Raymie Nightingale in this tender middle grade novel from Lisa Jenn Bigelow, acclaimed author of Drum Roll, Please. Hazel knows a lot about the world. That’s because when she’s not hanging with her best friend, taking care of her dog, or helping care for the goats on her family’s farm, she loves reading through dusty encyclopedias. But even Hazel doesn’t have answers for the questions awaiting her as she enters eighth grade. What if no one at her new school gets her, and she doesn’t make any friends? What’s going to happen to one of her moms, who’s pregnant again after having two miscarriages? Why does everything have to change when life was already perfectly fine? As Hazel struggles to cope, she’ll come to realize that sometimes you have to look within yourself—instead of the pages of a book—to find the answer to life’s most important questions.

"Lisa Jewell leaves the chick-lit tag firmly behind with Before I Met You, a poignant story about a young woman uncovering her grandmother’s bohemian life in 1920s London—and finding her own place in the world in the process.”—Good Housekeeping (UK) “Jewell’s moving novel immerses readers in the lives of these unique characters through the universal themes of family and a search for belonging...a compelling and entertaining novel.” —Publishers Weekly *Jazz Age London*, a passionate and forbidden interracial romance, and the unbreakable bond between a bright young woman and her eccentric grandmother come together brilliantly in this gem of a novel from the New York Times bestselling author of Then She Was Gone, perfect for fans of Downton Abbey, Twenties Girl, and The Chaperone. After her grandmother Arlette’s death, Betty is finally ready to begin her life. She had forfeited university, parties, boyfriends, summer jobs—all the usual preoccupations of a woman her age—in order to care for Arlette in their dilapidated, albeit charming home on the English island of Guernsey. Her will included a beneficiary unknown to Betty and her family, a woman named Clara Pickle who presumably could be found at a London address. Now, having landed on a rather shabby street corner in ’90s Soho, Betty is determined to find the mysterious Clara. She’s ready for whatever life has to throw her way. Or so she thinks . . . In 1920s bohemian London, Arlette De La Mare is starting her new life in a time of postwar change. Beautiful and charismatic, she is soon drawn into the hedonistic world of the Bright Young People. But two years after her arrival in London, tragedy strikes and she flees back to her childhood home and remains there for the rest of her life. As Betty navigates the ups and downs of city life and begins working as a nanny for a rock star tabloid magnet, her search for Clara leads her to a man—a stranger to Betty, but someone who meant the world to her grandmother. Will the secrets of Arlette’s past help Betty find her own way to happiness in the present? A rich detective story and a captivating look at London then and now, Before I Met You is an unforgettable novel about two very different women, separated by seventy years, but united by big hearts and even bigger dreams.

A deadly plague has devastated Earth, killing all the adults. Lisa and her younger brother Todd are struggling to stay alive in a world where no one is safe. Other children along Grand Avenue need help as well. They band together to find food, shelter, and protection from dangerous gangs invading their neighborhood. When Tom Logan and his army start making threats, Lisa comes up with a plan and leads her group to a safer place. But how far is she willing to go to protect what’s hers?

Jennifer Fenn’s debut novel inspired by true events, about a teenage boy who has stolen—and crashed—not one, but three airplanes. And each time he’s walked away unscathed. Who is Robert Jackson Kelly? Is he a juvenile delinquent? A criminal mastermind? A folk hero? One thing is clear: Robert always defies what people think of him. And now, the kid who failed at school, relationships, and almost everything in life, is determined to successfully steal and land a plane. Told as an investigation into Robert’s psyche, the narrative includes multiple points of view as well as documentary elements like emails, official records, and interviews with people who knew Robert. Ultimately, Flight Risk is a thrilling story about one teenager who is determined to find a moment of transcendence after everyone else has written him off as lost.

When her best friend Hannah comes out the day before junior year, Daisy is all set to let her ally flag fly. Before you can spell LGBTQIA, she’s leading the charge to end their school’s antiquated ban on same-sex dates at dances-starting with homecoming. And if people assume Daisy herself is gay? Meh, so what. It’s all for Hannah, right? It’s all for the cause. What Daisy doesn’t expect is for “the cause” to blow up-thanks to Adam, the cute college journalist whose interview with Daisy for his college newspaper goes viral, catching fire in the national media. With the story spinning out of control, protesters gathering, Hannah left in the dust of Daisy’s good intentions, and Daisy’s attraction to Adam practically written in lights, Daisy finds herself caught between her bold plans, her bad decisions, and her big fat mouth. A Clueless or Emma for the modern age, this is a breezy, charming, incisive tale of growing up, getting wise, and realizing every story needs a hero-sometimes it’s just not you.

New York editor Jen Gibbs discovers a mysterious manuscript that relates the story of a mixed-race girl in turn-of-the-century Appalachia, but her search for the story’s unknown author leads her back to her home in the Blue Ridge Mountains.

Thirteen-year-old Felix Yz chronicles the final month before an experimental procedure meant to separate him from the fourth-dimensional creature, Zyx, with whom he was accidentally fused as a young child.
