We so often hear that the alcoholic/addict needs to hit their bottom; well, the family member (or silent majority as I call this group) hits their bottom as well. When I realized that any intimate relationship with him was always going to be shaky for me, built more on quicksand than terra firma and that friendship was all I could safely offer, it was more reality than he could handle.

TABC Licenses and Permits | TABC

Alcoholism, more appropriately referred to as alcohol use disorder(AUD),is, broadly, any drinking of alcoholthat results in mentaland/or physical healthproblems ranging anywhere from mild and imperceptible without special testing to severe and grossly overt.

Alcoholism - Wikipedia

An alcoholic drink is a drink that contains the recreational drug ethanol, a type of alcohol produced by fermentation of grains, fruits, or other sources of sugar. The consumption of alcohol plays an important social role in many cultures. Most countries have laws regulating the production, sale, and consumption of alcoholic beverages. Some countries ban such activities entirely, but alcoholic drinks are legal in most parts of the world. The global alcoholic drink industry exceeded \$1 trillion i
