Prophecy  
Make sure to purchase it before buying this unofficial summary from aBookaDay. The Einstein Prophecy is a novel set during World War II that centrally follows the experiences of Lucas Athan as the war approaches its end. The novel begins with Athan investigating

# Read Free The Einstein

stolen antiquities the Nazis had gathered in France. Athan has been tasked with recovering a particular artifact, but is also assisting in locating and recovering many other artifacts and pieces of artwork in the process. The artifact in question, though, is of the utmost interest to

# Read Free The Einstein

Prophecy as well. Hitler had ordered the artifact in question, an ossuary, to be sent to him personally.

Additionally - two scholars from Egypt are also pursuing the ossuary. Athan finds himself wondering what exactly this ossuary represents that would have world powers in the midst of

# Read Free The Einstein

war desperately clamoring for it.

However, Athan is injured in the process of recovering the ossuary and is honorably discharged from service. He imagines that this will be the end of his part in determining the importance of the ossuary, but finds that the ossuary follows
