Get Free The Federalist

Pulitzer Award-winning
journalist offers an
essential guide to
understanding, resisting,
and recovering from the
ravages of our
tumultuous times. This
incisive book provides
an essential guide to
understanding and
recovering from the
calamitous corrosion of
American democracy
over the past few years.

Get Free The Federalist

Thanks to the special perspective that is the legacy of a Soviet childhood and two decades covering the resurgence of totalitarianism in Russia, Masha Gessen has a sixth sense for the manifestations of autocracy--and the unique cross-cultural fluency to delineate their emergence to

Get Free The Federalist

Americans. Gessen not only anatomizes the corrosion of the institutions and cultural norms we hoped would save us but also tells us the story of how a short few years changed us from a people who saw ourselves as a nation of immigrants to a populace haggling over a border wall, heirs to a degraded sense of truth,

Get Free The Federalist

meaning, and
possibility. Surviving
Autocracy is an
inventory of ravages and
a call to account but also
a beacon to
recovery--and to the
hope of what comes
next.

A best-selling author

disproving American
myths of "socialized
medicine" to find
possible paths toward
reform. Reprint.

Our American
Government textbook
adheres to the scope and
sequence of
introductory American
government courses
nationwide. We have
endeavored to make the

Get Free The Federalist

Workings of American
Government interesting
and accessible to
students while
maintaining the
conceptual coverage and
rigor inherent in the
subject at the college
level. With this
objective in mind, the
content of this textbook
has been developed and
arranged to provide a
logical progression from

Get Free The Federalist

the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as

Papers Penguin
Chcs

between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback

Get Free The Federalist

from American
government instructors
dedicated to the project.

From the authors of the international bestseller *Why Nations Fail*, a crucial new big-picture framework that answers the question of how liberty flourishes in some states but falls to authoritarianism or anarchy in others--and

Get Free The Federalist

explains how it can
continue to thrive
despite new threats. In
Why Nations Fail,
Daron Acemoglu and
James A. Robinson
argued that countries
rise and fall based not
on culture, geography,
or chance, but on the
power of their
institutions. In their new
book, they build a new
theory about liberty and

Get Free The Federalist

how to achieve it, drawing a wealth of evidence from both current affairs and disparate threads of world history. Liberty is hardly the "natural" order of things. In most places and at most times, the strong have dominated the weak and human freedom has been quashed by force or by customs and

Get Free The Federalist

papers. Either states have been too weak to protect individuals from these threats, or states have been too strong for people to protect themselves from despotism. Liberty emerges only when a delicate and precarious balance is struck between state and society. There is a Western myth that

Get Free The Federalist

political liberty is a durable construct, arrived at by a process of "enlightenment." This static view is a fantasy, the authors argue. In reality, the corridor to liberty is narrow and stays open only via a fundamental and incessant struggle between state and society: The authors look to the American

Get Free The Federalist

Civil Rights Movement,
Europe's early and
recent history, the
Zapotec civilization
circa 500 BCE, and
Lagos's efforts to uproot
corruption and institute
government
accountability to
illustrate what it takes to
get and stay in the
corridor. But they also
examine Chinese
imperial history,

Get Free The Federalist

colonialism in the Pacific, India's caste system, Saudi Arabia's suffocating cage of norms, and the "Paper Leviathan" of many Latin American and African nations to show how countries can drift away from it, and explain the feedback loops that make liberty harder to achieve.

Today we are in the

Get Free The Federalist

midst of a time of wrenching destabilization. We need liberty more than ever, and yet the corridor to liberty is becoming narrower and more treacherous. The danger on the horizon is not "just" the loss of our political freedom, however grim that is in itself; it is also the disintegration of the

Get Free The Federalist

prosperity and safety
that critically depend on
liberty. The opposite of
the corridor of liberty is
the road to ruin.

The challenges to
humanity posed by the
digital future, the first
detailed examination of
the unprecedented form
of power called

Get Free The Federalist

"surveillance capitalism," and the quest by powerful corporations to predict and control our behavior. In this masterwork of original thinking and research, Shoshana Zuboff provides startling insights into the phenomenon that she has named surveillance capitalism. The stakes

Get Free The Federalist

Papers higher: a
global architecture of
behavior modification
threatens human nature
in the twenty-first
century just as industrial
capitalism disfigured the
natural world in the
twentieth. Zuboff
vividly brings to life the
consequences as
surveillance capitalism
advances from Silicon
Valley into every

Get Free The Federalist

economic sector. Vast wealth and power are accumulated in ominous new "behavioral futures markets," where predictions about our behavior are bought and sold, and the production of goods and services is subordinated to a new "means of behavioral modification." The threat has shifted from a totalitarian Big Brother

Get Free The Federalist

state to a ubiquitous
digital architecture: a
"Big Other" operating in
the interests of
surveillance capital.

Here is the crucible of
an unprecedented form
of power marked by
extreme concentrations
of knowledge and free
from democratic
oversight. Zuboff's
comprehensive and
moving analysis lays

Get Free The Federalist

Papers Penguin
Chics

bare the threats to
twenty-first century
society: a controlled
"hive" of total
connection that seduces
with promises of total
certainty for maximum
profit -- at the expense
of democracy, freedom,
and our human future.
With little resistance
from law or society,
surveillance capitalism
is on the verge of

Get Free The Federalist

dominating the social
order and shaping the
digital future -- if we let
it.

Widely acknowledged
as a contemporary
classic that has
introduced thousands of
readers to American
literature, From
Puritanism to
Postmodernism: A
History of American

Get Free The Federalist

Literature brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers, including Poe, Melville,
