The ghost tree was about a ten- minute walk from the place where Lauren dismounted her bike. Miranda was already there, arms crossed and leaning against the tree with her eyes closed. Lauren wondered what Miranda was thinking about. She wore a white sleeveless shirt that buttoned down the front, and Lauren could see her training bra through it.

the year before her father's body was found with his heart missing, and since then everyone has moved on. Even her best friend, Miranda, has become more interested in boys than in spending time at the old ghost tree, the way they used to when they were kids. So when Lauren has a vision of a monster dragging the remains of the girls through the woods, she knows she can't just do nothing. Not like the rest of her town. But as she draws closer to answers, she realizes that the foundation of her seemingly normal town might be rotten at the center. And that if nobody else stands for the missing, she will.

Here is Edgar Award Winner Dori Hillestad Butler's seventh title in her not-too-scary chapter book mystery series, *The Haunted Library*. Perfect for reluctant readers in the mood for a great mystery! A group of girls in Claire's town have noticed strange sights and sounds coming from the tree house where their club meets. Is it a rival boys' club trying to scare them away? Or is it a ghost? The girls ask Claire to tackle the mystery—and Kaz hopes to finally find the rest of his missing family members!

A touching graphic novel about love, loss, and how the past never truly stays dead. Seeking a refuge from an unhappy life, Brandt returns to his ancestral home in Japan to find a haunted tree and the departed souls that are drawn to it, including his grandfather. Getting more involved with the tree's inhabitants, he attempts to heal some of history's wounds but will he be able to find a measure of peace for himself when someone special from his past returns?

"For as long as anyone can remember, the children of Isle Labbe have been warned to stay out of the Catahoula Swamp. It was not because of the giant alligators that would love nothing better than to make you their next meal, or the water moccasins that wait with venomous fangs, ready to strike the minute their territory is invaded, but because folks believe that children who enter that

swamp never return." Cajun singer-songwriter Yvette Landry's first children's story, *The Ghost Tree*, calls forth her childhood experiences along the swamps of South Louisiana. The story begins in her ancestral home, the small, somewhat isolated community of Isle Labbé and ends in the swamps of the Atchafalaya Basin. Her grandfather tells her of an ancient Native American legend ... a cursed tree that comes to life every Halloween. Unlucky travelers who stumble across the tree on that fateful night are never seen again. He would know: after all, he's the only one ever to survive an encounter with ... the Ghost Tree.

Walking down a dark lonely road on an errand one night, a brother and sister argue over who is afraid of the dread Ghost-Eye tree.
