*The Leonines and Disclosure
- The Mystery School*

The metaphysical author Murry Hope in her book 'The Paschats and the Crystal People' describes similar events although she claims that these beings 'the crystal people' came from a planet that encircled Sirius. In all other respects her channelled information very closely resembles my own. She states in a communication from a being called Kaini:

Linked to this genetic
research is another branch,
in The Paschats and the
Crystal People same field,
that has been unlocking the
secrets of the human genome
and this too has produced
some astonishing results.
Contrary to original
expectations it seems that
we have far fewer genes than
was first The Paschats and
the Crystal People.
