From best-selling author and noted teacher and speaker Yehuda Berg comes a thought-provoking call to action on our current global crisis. achieving change for the better. Berg urges readers to access the power within each of us, using the principles of Kabbalah, in order to create the consciousness shift required for lasting positive change.

Based on a popular series of talks given by renowned Kabbalist Yehuda Berg, *Kabbalah on Love* offers a simple yet profound message: love is not something that is learned or acquired, but an essence within, waiting to be revealed. Buried by layers of ego, fear, shame, doubt, low self-esteem, and other limitations, love can only be activated by sharing and serving unconditionally. Only then will the layers fall away and the essence of love reveal itself. Berg makes the distinction between love and need – which is a selfish product of ego – and reminds readers that only after connecting with the love within, and learning to love themselves, can they truly love someone else. This charming book, published just in time for Valentine's Day, is also a thoughtful gift for any day of the year.
