From the New York Times bestselling author of My Paris Kitchen and L'Appart, a deliciously funny, offbeat, and irreverent look at the city of lights, cheese, chocolate, and other confections. Like so many others, David Lebovitz dreamed about living in Paris ever since he first visited the city and after a nearly two-decade career as a pastry chef and cookbook author, he finally moved to Paris to start a new life. Having crammed all his worldly belongings into three suitcases, he arrived, hopes high, at his new apartment in the lively Bastille neighborhood. But he soon discovered it's a different world en France. From learning the ironclad rules of social conduct to the mysteries of men's footwear, from shopkeepers who work so hard not to sell you anything to the etiquette of working the right way around the cheese plate, here is David's story of how he came to fall in love with—and even understand—this glorious, yet sometimes maddening, city. When did he realize he had morphed into un vrai parisien? It might have been when he found himself considering a purchase of men's dress socks with cartoon characters on them. Or perhaps the time he went to a bank with 135 euros in hand to make a 134-euro payment, was told the bank had no change that day, and thought it was completely normal. Or when he found himself dressing up to take out the garbage because he had come to accept that in Paris appearances and image mean everything. Once you stop laughing, the more than fifty original recipes, for dishes both savory and sweet, such as Pork Loin with Brown Sugar – Bourbon Glaze, Braised Turkey in Beaujolais Nouveau with Prunes, Bacon and Bleu Cheese Cake, Chocolate-Coconut Marshmallows, Chocolate Spice Bread, Lemon-Glazed Madeleines, and Mocha – Crème Fraîche Cake, will have you running to the kitchen for your own taste of Parisian living.

"A chef buys an apartment in Paris and endures the headaches and excitement of renovating his own corner of paradise in the City of Light"--

Presents a compendium of recipes for desserts, including cakes, pies, tarts, fruit desserts, custards, souffl es, puddings, frozen treats, cookies, and candies, in addition to providing serving and storage advice.

Paris. The name alone conjures images of chestnut-lined boulevards, sidewalk caf es, breathtaking fa ades around every corner--in short, an exquisite romanticism that has captured the American imagination for as long as there have been Americans. In 1995, Adam Gopnik, his wife, and their infant son left the familiar comforts and hassles of New York City for the urbane glamour of the City of Light. Gopnik is a longtime New Yorker writer, and the magazine has sent its writers to Paris for decades--but his was above all a personal pilgrimage to the place that had for so long been the undisputed capital of everything cultural and beautiful. It was also the opportunity to raise a child who would know what it was to romp in the Luxembourg Gardens, to enjoy a croque monsieur in a Left Bank caf e --a child (and perhaps a father, too) who would have a grasp of that Parisian sense of style we Americans find so elusive. So, in the grand tradition of the American abroad, Gopnik walked the paths of the Tuileries, enjoyed philosophical discussions at his local bistro, wrote as violet twilight fell on the arrondissements. Of course, as readers of Gopnik's beloved and award-winning "Paris Journals" in The New Yorker know, there was also the matter of raising a child and carrying on with day-to-day, not-so-fabled life. Evenings with French intellectuals preceded middle-of-the-night baby feedings; afternoons were filled with trips to the Mus e d'Orsay and pinball games; weekday leftovers were eaten while three-star chefs debated a "culinary crisis." As Gopnik describes in this funny and tender book, the dual processes of navigating a foreign city and becoming a parent are not completely dissimilar journeys--both hold new routines, new languages, a new set of rules by which everyday life is lived. With singular wit and insight, Gopnik weaves the magical with the mundane in a wholly delightful, often hilarious look at what it was to be an American family man in Paris at the end of the twentieth century. "We went to Paris for a sentimental reeducation-I did anyway-even though the sentiments we were instructed in were not the ones we were expecting to learn, which I believe is why they call it an education."

A collection of stories and 100 sweet and savory French-inspired recipes from popular food blogger David Lebovitz, reflecting the way Parisians eat today and featuring lush photography taken around Paris and in David's Parisian kitchen.

In 2004, David Lebovitz packed up his most treasured cookbooks, a well-worn cast-iron skillet, and his laptop and moved to Paris. In that time, the culinary culture of France has shifted as a new generation of chefs and home cooks—most notably in Paris—incorporates ingredients and techniques from around the world into traditional French dishes. In *My Paris Kitchen*, David remasters the classics, introduces lesser-known fare, and presents 100 sweet and savory recipes that reflect the way modern Parisians eat today. You ' ll find Soupe à l ' oignon, Cassoulet, Coq au vin, and Croque-monsieur, as well as Smoky barbecue-style pork, Lamb shank tagine, Dukkah-roasted cauliflower, Salt cod fritters with tartar sauce, and Wheat berry salad with radicchio, root vegetables, and pomegranate. And of course, there ' s dessert: Warm chocolate cake with salted butter caramel sauce, Duck fat cookies, Bay leaf poundcake with orange glaze, French cheesecake...and the list goes on. David also shares stories told with his trademark wit and humor, and lush photography taken on location around Paris and in David ' s kitchen reveals the quirks, trials, beauty, and joys of life in the culinary capital of the world.

"From the New York cupcake wars to the perfect Parisian macaron, Thomas's passion is palpable, her sweet tooth, unstoppable."—Elizabeth Bard, bestselling author of *Lunch in Paris Forever* a girl obsessed with all things French, sweet freak Amy Thomas landed a gig as rich as the purest dark chocolate: leave Manhattan for Paris to write ad copy for Louis Vuitton. Working on the Champs-Élysées, strolling the charming streets, and exploring the best patisseries and boulangeries, Amy marveled at the magnificence of the City of Light. But does falling in love with one city mean turning your back on another? As much as Amy adored Paris, there was part of her that felt like a humble chocolate chip cookie in a sea of pristine macarons. *PARIS, MY SWEET* explores how the search for happiness can be as fleeting as a salted caramel soufflé's rise, as intensely satisfying as molten chocolate cake, and about how the life you're meant to live doesn't always taste like the one you envisioned. Part love letter to Paris, part love letter to New York, and total devotion to all things sweet, *PARIS, MY SWEET* is a treasure map for anyone with a hunger for life. "Like a tasty Parisian bonbon, this book is filled with sweet surprises."—David Lebovitz, *New York Times* bestselling author of *The Sweet Life in Paris* "Amy Thomas seduces us in the same manner that Paris seduced her —one exquisite morsel at a time."—Nichole Robertson, author of *Paris in Color*
