Amazon.com: The Wall Jumper: A Berlin Story (9780226739410) —

Schneider’s novella, The Wall Jumper is an odd blend of Scheherazade-esque short stories, essays and philosophical musings on the nature of the Berlin Wall and its impact upon the citizens living on either side. Schneider evocatively illustrates the contrast between the liberal, jazz-loving denizens of West Berlin, residing in the counter-culture of Kreuzberg, and their eastern counterparts cocooned within the overarching GDR.

Peter Schneider: ?The Wall Jumper? | 100 German Must Reads —

The Wall Jumper by Peter Schneider finds an anonymous Narrator, 20 years an inhabitant of the divided city of Berlin, collecting stories about those who have illegally gone over the wall. Seen from the air, Berlin appears one, and objects of everyday life on the ground seem identical, but the East has a characteristic smell and its population looks and acts gray.

The Wall Jumper Summary & Study Guide

At a glance, The Wall Jumper appears to be reportage rather than fiction. Berlin, first seen from a descending air-plane, is acutely observed rather than invented; there are facts and figures, and...

The Wall Jumper Characters — eNotes.com

This mural, entitled 'Der Mauerspringer', ('The Wall Jumper'), was painted by Gabriel Heimler in 1989 and later restored in 2009. The wall jumper is not, as often assumed, an East German refugee trying to escape to the West, but rather a West German jumping over to the East in a symbolic gesture of freedom.

10 Iconic Murals on the Berlin Wall

Ian McEwan acknowledges in the introduction "at a glance The Wall Jumper appears to be reportage rather than fiction." Published in 1982, seven years befopre the wall came down, this novella has little plot and character interaction but it deftly highlights the obvious and also the subtle differences between West and East Berliners.

Peter Schneider (writer) — Wikipedia

On the morning of August 13, 1961, the residents of East Berlin found themselves cut off from family, friends and jobs in the West by a tangle of barbed wire that ruthlessly cut a city of four million...

Books similar to The Wall Jumper: A Berlin Story

(In the second of his series of books about Berlin, Paul has picked The Wall Jumper by Peter Schneider) First published in 1983, and reissued in English a few years ago, The Wall Jumper(Der Mauerspringer) is an entertaining short novel about a nameless narrator and his friends who live in West Berlin.

Books similar to The Wall Jumper: A Berlin Story

In the Wall Jumper, real people cross the Wall not to defect but to quarrel with their lovers, see Hollywood movies, and sometimes just because they can't help themselves—the Wall has divided their emotions as much as it has their country.

Books similar to The Wall Jumper: A Berlin Story

Berlin before the fall of the Wall is a city divided, yet its ordinary residents find ways to live and survive on both sides. There is Robert, teller of bar room anecdotes over beer and vodka, adjusting to a new life in the west; Pommerer, trying to outwit the system in the east; the unnamed narrator, who 'escapes' back-and-forth to collect stories; his beguiling, exiled lover Lena; the three boys who defect to watch Hollywood films; and the man who leaps across the Wall again and again - simply because he cannot help himself. All are, in their different ways, wall jumpers, trying to lose themselves but still trapped wherever they go. Ultimately, the walls inside their heads prove to be more powerful than any man-made barrier . . .

Books similar to The Wall Jumper: A Berlin Story

A smartly guided romp, entertaining and enlightening, through Europe's most charismatic and enigmatic city It isn't Europe's most beautiful city, or its oldest. Its architecture is not hold more treasures than those in Barcelona or London. And yet, when citizens of "New York, Tel Aviv, or Rome ask me where I'm from and I mention the name Berlin," writes Peter Schneider, "their eyes instantly light up." Berlin Now is a longtime Berliner's bright, bold, and digressive exploration of the heterogeneous allure of this vibrant city. Delving beneath the obvious answers—Berlin's club scene, bolstered by the lack of a mandatory closing time; the artistic communities that thrive due to the relatively low (for now) cost of living—Schneider takes us on an insider's tour of Germany's rapidly metamorphosing metropolis, where high-class soires are held at construction sites and enterprising individuals often accomplish more without public funding—assembling a makeshift club on the banks of the Spree River—than Berlin's officials do. Schneider's perceptive, witty investigations on everything from the insidious legacy of suspicion instilled by the East German secret police to the clashing attitudes toward work, food, and love held by former East and West Berliners have been sharply translated by Sophie Schlondorff. The result is a book so lively that readers will want to jump on a plane—just as soon as they've finished their adventures on the page.

Books similar to The Wall Jumper: A Berlin Story

The Berlin Wall was the symbol of the Cold War. For the first time, this path-breaking book tells the behind-the-scenes story of the communists' decision to build the Wall in 1961. Hope Harrison's use of archival sources from the former East German and Soviet regimes is unrivalled, and from these sources she builds a highly original and provocative argument: the East Germans pushed the reluctant Soviets into building the Berlin Wall. This fascinating work portrays the different approaches favored by the East Germans and the Soviets to stop the exodus of refugees to West Germany. In the wake of Stalin's death in 1953, the Soviets refused the East German request to close their border to West Berlin. The Kremlin rulers told the hard-line East German leaders to solve their refugee problem not by closing the border, but by alleviating their domestic and foreign problems. The book describes how, over the next seven years, the East German regime managed to resist Soviet pressures for liberalization and instead pressured the Soviets into allowing them to build the Berlin Wall. Driving the Soviets Up the Wall forces us to view this critical juncture in the Cold War in a different light. Harrison's work makes us rethink the nature of relations between countries of the Soviet bloc even at the height of the Cold War, while also contributing to ongoing debates over the capacity of weaker states to influence their stronger allies.

Books similar to The Wall Jumper: A Berlin Story

A tour of Germany after reunification provides anecdotes of the West German people, an East German baker, Bavarian yodelers, Stalinist functionaries, and Western capitalists

Books similar to The Wall Jumper: A Berlin Story

The appearance of a hastily-constructed barbed wire entanglement through the heart of Berlin during the night of 12-13 August 1961 was both dramatic and unexpected. Within days, it had started to metamorphose into a structure that would come to symbolise the brutal insanity of the Cold War: the Berlin Wall. A city of almost four million was cut ruthlessly in two, unleashing a potentially catastrophic East-West crisis and plunging the entire world for the first time into the fear of imminent missile-borne apocalypse. This threat would vanish only when the very people the Wall had been built to imprison, breached it on the historic night of 9 November 1989. Frederick Taylor's eagerly awaited new book reveals the strange and chilling story of how the initial barrier system was conceived, then systematically extended, adapted and strengthened over almost thirty years. Patrolled by vicious dogs and by guards on shoot-to-kill orders, the Wall, with its more than 300 towers, became a wired and lethally booby-trapped monument to a world torn apart by fiercely antagonistic ideologies. The Wall had tragic consequences in personal and political terms, affecting the lives of Germans and non-Germans alike in a myriad of cruel, inhuman and occasionally absurd ways. The Berlin Wall is the definitive account of a divided city and its people.

Books similar to The Wall Jumper: A Berlin Story

On the 25th Anniversary of the fall of the Wall, a legendary Berliner tells the inside story of the city. Over the last five decades, no city has changed more than Berlin: divided in 1961, reunited in 1989, it has become Europe's most vibrant melting-pot of artists, immigrants and entrepreneurs. Blending memoir, history and reportage, this legendary Berliner takes us behind the scenes there - looking at everything from life under the Stasi and the difference between East and West Berliners' sex-lives to the city's night-life, politics and hidden quirks - and reveals what makes Berlin the uniquely fascinating place it is.
