The Witch's Heart is the outstanding debut novel from talented author Genevieve Gornichec. Genevieve's retelling of Angrboda's key role in Norse mythology is exceptional. It requires a deft hand, understanding and knowledge, to reimagine the world of the gods; I believe Genevieve has demonstrated this with The Witch's Heart.

Theo's house - a stranger whose name is Mrs Scarum. Theo is convinced she is a witch and wishes his father would return home from his travels. But the blizzard continues and the night is long, there may be some tears before morning.

Can true love's kiss break your heart? The spellbinding sequel to THE WITCH'S KISS by authors and sisters, Katharine and Elizabeth Corr. It's not easy being a teenage witch. Just ask Merry. She's drowning in textbooks and rules set by the coven; drowning in heartbreak after the loss of Jack. But Merry's not the only one whose fairy tale is over. Big brother Leo is falling apart and everything Merry does seems to push him further to the brink. And everything that happens to Leo makes her ache for revenge. So when strangers offering friendship show them a different path they'd be mad not to take it. Some rules were made to be broken, right? The darkly magical sequel to THE WITCH'S KISS burns wickedly bright.

KISS trilogy by authors and sisters, Katharine and Elizabeth Corr.

THE WITCH'S KISS trilogy by authors and sisters, Katharine and Elizabeth Corr incorporating titles: The Witch's Kiss, The Witch's Tears and The Witch's Blood.

This fictional account of a true story describes two lives in conflict--one cursed and one blessed--and the transcendent power of forgiveness.

Angrboda's story begins where most witch's tales end: with a burning. A punishment from Odin for refusing to give him knowledge of the future, the fire leaves Angrboda injured and powerless, and she flees into a remote forest. There she is found by a man Loki, and her initial distrust grows into a deep and abiding love. Their union produces three unusual children, each with a secret destiny, who she is keen to raise at the hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life - and possibly all of existence - is in danger.
