Silverstein clearly explains that the increasingly sophisticated consumers of the critical "middle market" have been key to drive a polarization of the product and service offering to the high and low ends of the price spectrum.

Trading Up: Why Consumers Want New Luxury Goods--and How ...

First published to media acclaim in October 2003, Trading Up revealed how today 's middle-class consumers are seeking higher levels of quality, taste, and aspiration than had ever been possible before—in their choices of cars and clothing, vodka and beer, golf clubs and dolls, and much more.

Trading Up: Why Consumers Want New Luxury Goods--and How ...

Trading up is driven by changes to both demand and supply. On the demand side, changes to the role of women as economic agent, the decline of the traditional family, a modified perception of consumption, higher home ownership, more discretionary wealth, and the "savings" passed on to American households by large discount retailers have fuelled the stratospheric rise of the New Luxury market.
