End the trauma of lone births: Covid rules are forcing thousands of mothers to endure labour without loved ones by their side - as Mail on Sunday launches campaign to stop the practice.

Covid rules are forcing thousands of mothers to endure ...

Yes, major trauma patients are sick, but they are going to get sicker over the next few hours to days. No matter how bad they look now, they will tolerate more at the time you first see them than they will tomorrow. Too often, we look at them and delay because "they are too sick to operate." This is usually not the case.
