Bentley Publishers is the exclusive factory-authorized publisher of Volkswagen Service Manuals in the United States and Canada. In every manual we provide full factory repair procedures, specifications, tolerances, electrical wiring diagrams, and lubrication and maintenance information. Bentley manuals are the only complete, authoritative source of Volkswagen maintenance and repair information. Even if you never intend to service your car yourself, you'll find that owning a Bentley Manual will help you to discuss repairs more intelligently with your service technician.

Memoir of Sue William Silverman, a self-described "white Anglo-Saxon Jew" who grew up going to a Christian school. Discusses how she grew up a fan of Pat Boone before Boone became a Tea Party member.

A cultural history of the Volkswagen Beetle as told through historical photographs, many never before published in the U.S. From the birth of the Beetle in wartime Germany through the development of the New Beetle prototype, Volkswagen Beetle: Portrait of a Legend celebrates a lighthearted, unusual view of the most successful automobile in history. This book is not a "how to identify your Beetle" book, nor is it a year-by-year charting of model changes. Rather, through other people's experiences of the car, it allows readers to recall their own fond memories of what it was really like to own a Beetle in its heyday.

Head gasket repairs, valve adjustments, camshaft timing, carb and SPICA fuel injection tuning, and driveshaft donut replacement are all explained. Experienced, hands-on guidance thatll keep you in the drivers seat.

A guide to body and chassis restoration offers advice on all aspects of restoration for metal-bodied cars, including patching panels, removing dents, and protecting against rust.

Here is an introduction to the whole cult of the dune buggy, from its earliest beginnings as a crude off-road vehicle in the 1920s, to the explosion of glassfibre-bodied and VW-based fun cars that became the cult transport of teenagers everywhere in the 1960s and 1970s. With histories, production details, dates and identification tips for over 70 US and UK buggies, this book will help identify the many marques that have been produced over the years. Using period photographs and archive material, combined with amazing contemporary photography, the book is a visual feast, and also contains sections on buggies and celebrities for those that want to spot pop stars, TV hosts and racing drivers posing with period vehicles.

Nigel Bennett's unique autobiography describes his life and career, from growing-up influenced by car design, to his education and the building of his 750 specials. He describes his work as Firestone Development Manager, recounting many tales of the outstanding designers and drivers of the period. Detailing his work in Formula 1, as a Team Lotus engineer, and then as Team Ensign designer, he also covers his Indycar designs at Theodore, Lola Cars and Penske Cars. Life after his retirement, his involvement in boat design and with modern F1 teams, are also recounted.

Here is a fact and picture-packed book dedicated solely to the Giulia GT in all its forms including the fabulous lightweight GTA racer. Now an updated, large format third edition which includes over 100 new images and which is limited to 1500 copies.

The story of what happens when Brad and Sheena Van Orden trade in the American Dream for a year on the roads of Central and South America aboard "Nacho," their quirky and somewhat temperamental Volkswagen van.
