*Amazon.com: We the Corporations: How American Businesses ...*

"We the Corporations" tells the 400-year story of how American corporations came to acquire constitutional rights, such as the right to sue in federal court and the right to spend money on political speech. The writing is clear and colorful, yet does full justice to the technicalities of legal doctrine.

*We the Corporations: How American Businesses Won Their ...*

Corporations are all but compelled to seek constitutional rights by American corporate law—the body of legal rules that dictate how corporations are formed and managed. Corporations are required by long-standing corporate law principles to maximize profit for shareholders, at least in the long term.

*WE THE CORPORATIONS How American Businesses Won Their ...*

*We the Corporations* is an important book about an important topic. Corporations are really in charge in our country and Winkler explains how they got there. From the beginnings of corporations in Roman law through Blackstone in England and the colonization of America, corporations hav.

*We the Corporations: How American Businesses Won Their ...*

NONFICTION >. *We the Corporations* chronicles the astonishing story of one of the most successful yet least well-known "civil rights movements" in American history. Hardly oppressed like women and minorities, business corporations, too, have fought since the nation's earliest days to gain equal rights under the Constitution—and today have nearly all the same rights as ordinary people.

*We the Corporations: How American Businesses Won Their ...*

Traces the 200-year history of Citizens United and corporate America's battle to achieve constitutional freedom from federal control, examining the civil rights debates, key events and lawyers that...

Beginning with the story of how corporations – legal creations of governments – came to be seen as consummately "private" economic actors in the first place, he methodically charts how they gained...

*Book review of We the Corporations: How American ...*

Here's the bottom-line: When corporations get special handouts from the government, it costs the rest of us. We have to pay more in taxes to make up for these hidden tax breaks, subsidies, and loopholes. In turn, there's less money for good schools and roads, Medicare and national defense, and everything else we need.

### *How Corporate Welfare Hurts You - The American Prospect*

We the Corporations is a must-read for anyone interested in the corporate rights debate. As Winkler notes, Citizens United is one of the Supreme Court's most controversial decisions. Yet most people who criticize (or praise) the Court's decision don't understand the backdrop on which it was based.

### *We the Corporations: How American Businesses Won Their ...*

We the Corporations: How American Businesses Won Their Civil Rights is a book-length history of American corporate personhood and other rights of corporations written by constitutional law professor Adam Winkler and published by W. W. Norton in 2018. The title was a 2018 National Book Award for Nonfiction finalist.

### *We the Corporations - Wikipedia*

We, the Corporations, of the United States of America. It seems implausible the word democracy isn't written in the United States Constitution, or in the Constitution's Preamble, or even in the Declaration of Independence. One would assume a concept so paramount to modern American culture would surely be derivative from one of its oldest and most endeared documents.
