ground as a result of technological advances, while you, their parents, are having to navigate these uncharted waters. Literacy is the single most important thing we can teach kids. If they can read, all other learning will follow. Learn how to futureproof your child's literacy in a rapidly changing world, and give them the best chance of success. Louise Park has spent decades watching children working away at this reading thing. As a teacher, children's author and leading educational consultant, she knows better than anyone how the goalposts have shifted over time. The road to literacy has never been smooth, but now there is the added challenge of digital distractions. Louise will show you
